Farm Aid 2022 Media Policies

Media Contact: Camille Jewell at FarmAid@vancomm.com

Farm Aid 2022 — scheduled for Sept. 24, 2022, at Coastal Credit Union Music Park at Walnut Creek in Raleigh, North Carolina — will celebrate family farmers and their essential role in the well-being of our country, particularly when it comes to mitigating climate change.

Please pay close attention to the following media policies.

SAFETY
Farm Aid 2022 will be a live event, but the COVID-19 pandemic continues to present challenges. By applying for a credential, you are agreeing to adhere to the Farm Aid 2022 safety guidance, even if it changes before the event or on-site. Those who are not able to adhere to the guidance on-site will forfeit their credentials for the remainder of the festival. All reporters and photographers must stay up to date and comply with all advance and in-person guidance related to safety. Those who are approved to use the photo pit will be required to wear a mask while within its proximity. Reporters who wish to conduct one-on-one artist interviews on-site will be required to undergo a rapid COVID-19 on-site the morning of the event and wear a mask during the interviews. Farm Aid staff and farmers also reserve the right, at their sole discretion, to request media to wear a mask during interviews.

MEDIA CREDENTIALING PROCEDURES
Reporters and photographers are required to apply in advance for credentials to attend Farm Aid 2022, and not all credential requests will be honored, based on the guidelines below. Applications will be approved via email on a rolling basis. To complete the online credential application, visit www.farmaid.org/media. Media credentials for Farm Aid 2022 are FREE through the early bird deadline of Monday, Sept. 5, 2022. After this date, all media who receive a credential will be required to pay a $30 fee. If you purchased a ticket through the standard ticketing process at livenation.com, your credentialing fee will be waived. Please upload proof of your ticket purchase to your online application.

Media credentials will be distributed on the day of the event, Sept. 24, 2022, at Coastal Credit Union Music Park at Walnut Creek. Credentials will not be sent in advance. Details about the specific pick-up location will be shared in September via email.

Media credentials allow reporters admittance to the press event on the morning of the festival and to designated press areas in the venue. Media credentials do not allow access to a reserved seat, the backstage area or the photo pit. The procedure to request photo credentials — which allow access to the photo pit — is noted below. Media credentials do allow for entry and re-entry into Coastal Credit Union Music Park at Walnut Creek.

REPORTER/WRITER CREDENTIALS
All reporters must represent a professional media outlet. Freelance reporters must specify their outlet affiliation and/or the name of the outlet(s) they are representing at the time of application, along with a letter of assignment from the assigning editor/producer on company letterhead, stating a description of the outlet, the name of the journalist(s) assigned to attend and the scope of the coverage. If multiple attendees are coming from your outlet, you only need one letter of assignment that lists coverage details for each individual. We will not accept ANY applications from freelance writers who do not attach a letter of assignment.

BLOGGERS must provide specific information about their outlet in the description section of the application. Credentials for bloggers are extremely limited and will be evaluated closely, including audience, content and sphere of influence. Reporters from colleges and universities are eligible for media credentials on a case-by-case basis, accompanied by proof of affiliation with a university media outlet.
All media will receive a food voucher along with their credentials on Saturday, Sept. 24. The voucher can be redeemed for HOMEGROWN Concessions®, Farm Aid’s family farm food offerings available at all concession stands throughout the venue. Water will be available in the press tent and the photo pit throughout the show.

PHOTOGRAPHER CREDENTIALS

All media outlets will have access to the official festival photographers’ photos on Farm Aid’s website at www.farmaid.org/multimedia. Photos will be added regularly, after each set, throughout the festival.

To be approved for a credential, all photographers must be on assignment from a professional news media outlet. Freelance photographers must specify their outlet affiliation and/or the name of the outlet(s) they are representing at the time of application and upload a letter of assignment from the assigning editor/producer on company letterhead, stating a description of the outlet, the name of the photographer assigned to attend and the scope of the coverage. Each media outlet will only be granted one photo credential. We will not accept ANY applications from freelance photographers who are not officially on assignment for a publication. Bloggers, social media influencers/representatives and college/university photographers will not be issued credentials but may access photos from Farm Aid’s Official Flickr account. If you arrive at the venue on the day of the event and are not affiliated with a professional media outlet and/or do not have professional equipment, credentials will not be issued, and a refund will not be credited.

A limited number of credentialed photographers using professional SLR cameras with detachable lenses will be allowed rotating access to a photo pit at the front of the stage. Photographers must wear a mask at all times while shooting from the photo pit. No credentialed photographer may use a phone or point and shoot camera at any time while in the photo pit; doing so will result in immediate removal from the pit for the duration of the event.

Each group of photographers will be allowed to photograph two songs per artist set and will then be asked to leave the pit so that ticket buyers can enjoy the show unobstructed. Photo pit managers might grant additional photographer access to unplanned on-stage collaborations or other “Farm Aid moments” at their discretion. All photographers will have a wristband and coordinating credential sticker designating their pit group. Photographers must have their mask, photo pass, wristband and pit access sticker visible to be admitted to the photo pit.

Artists reserve the right to authorize which photographers and outlets are permitted to shoot their set. This is at the sole discretion of the artist. Farm Aid’s publicity team will communicate any restrictions to all registered photographers as soon as this information is provided to us.

All photography, video and audio from Farm Aid 2022 is available for use only by professional media outlets. The likeness of any artist may not be used for commercial purposes without the express, direct, written permission of the artist. Farm Aid disclaims and will not accept any liability for the use of any artist photography, video or audio captured at Farm Aid 2022.

RADIO AND TELEVISION BROADCAST CREWS

Broadcast media outlets will have access to designated broadcast areas at Farm Aid 2022, where they will be able to capture live footage. Farm Aid staff will escort artists and farmers to the designated broadcast area for interviews as requested. In addition, Farm Aid staff will escort broadcast reporters to the HOMEGROWN Village for interviews and b-roll throughout the day. If your station needs an ISDN line or any other special equipment for its broadcast, please contact Camille Jewell at FarmAid@vancomm.com to coordinate at least 48 hours prior to the event.

Broadcast crews will be allowed to record 90 seconds of live audio and/or video per artist set at the mult boxes, located in the media area. In the event that we are unable to provide a feed in the media tent, camera crews will be escorted into the venue so that they may record 90 seconds of each artist’s set. Filming live video in the house without an escort is grounds for ejection from Coastal Credit Union Music Park at Walnut Creek.
All broadcast camera crews must be escorted by a Farm Aid representative outside of the designated broadcast media area. No broadcast equipment (video cameras, audio recorders, etc.) is allowed unescorted in public or backstage areas of the venue, even if an artist has given permission. Please contact a Farm Aid staff person in the designated media area if you wish to shoot venue footage.

Roaming the venue with video/broadcast equipment and without an escort is grounds for ejection from Coastal Credit Union Music Park at Walnut Creek. You may, however, explore the venue without an escort if you leave your video/broadcast equipment in the designated media area. You can store your belongings inside the designated media area where a Farm Aid publicity team member will always be present. However, Farm Aid will not accept liability for personal or professional property that is lost or damaged during the festival.

All photography, video and audio from Farm Aid 2022 is available for use only by professional media outlets. The likeness of any artist may not be used for commercial purposes without the express, direct, written permission of the artist. Farm Aid disclaims and will not accept any liability for the use of any artist photography, video or audio captured at Farm Aid 2022.

DOCUMENTARY CREWS

Documentary crews are not eligible for media credentials unless their content is focused on family farmers, Farm Aid or a participating artist. To apply for credentials, please include a description of your documentary, producer credits and IMDb links and your specific coverage request in the description section of the application. Only approved documentary crews will be provided credentials to Farm Aid 2022.

If approved, documentary crews will be held to the same policies as broadcast crews mentioned above. All documentary crews must be escorted by a Farm Aid representative outside of the designated media area. No recording equipment (cameras, audio recorders, etc.) is allowed unescorted in public or backstage areas of the venue, even if an artist has given permission. Please contact a Farm Aid staff person in the designated media area if you wish to shoot venue footage.

All interview requests for artists, Farm Aid representatives, family farmers and farm advocates must go through the Farm Aid publicity team. Please do not reach out to artist management teams separately. Any interview scheduled without prior knowledge of a Farm Aid publicity team member is subject to immediate cancellation. Please include your specific interview requests on your online credential application, or email Brittany Vanderpool at bvanderpool@vancomm.com with a list of specific interview requests. Additional information regarding interviews can be found below.

INTERVIEWS

You may submit requests for interviews with artists, Farm Aid representatives, family farmers and farm advocates when you submit your online credential application and on the day of the event. You also may submit requests directly to Riley Smith via phone or email at 202-248-5492 or FarmAid@vancomm.com. Those who wish to conduct artist interviews on-site we be required to take a rapid COVID-19 on-site and wear a mask at all times during the interview. Farm Aid staff and farmers also reserve the right, at their sole discretion, to request media to wear a mask during interviews.

The Farm Aid publicity team cannot guarantee specific artist interview requests, but we will try to accommodate as many requests as possible. Farm Aid board members Willie Nelson, John Mellencamp, Dave Matthews and Margo Price will all speak at a press event the morning of the festival, prior to gates opening. In addition, press briefings featuring artists and farmers will be held throughout the day on the FarmYard Stage. These briefings will be announced
throughout the day in the designated press areas within the venue, via text message and via the Farm Aid 2022 official festival app.

If you have an outstanding interview request and must leave the press tent for any reason, please ensure that the publicity team member has your cell phone number so they can contact you. **If you are not on-site at the time of a scheduled interview, the Farm Aid publicity team cannot guarantee that the artist will be able to reschedule the interview later in the day.** Reporters should be prepared to take a rapid COVID-19 test on-site and wear a mask while conducting any interviews backstage.

Farmers from across the country will be available for interviews throughout the day in the HOMEGROWN Village and during press briefings to discuss food and farming issues. Farm Aid staff also are available for interviews upon request. We encourage you to talk to farmers and staff to provide context for why Farm Aid is hosting their annual festival in the region, and why artists donate their time and talents to this important mission.
